### **The work we have done on our committees and in the Governing Body meetings**

The Governing Board of Milford Primary School has agreed Terms of Reference for the Full Board and each of the committees at the beginning of the academic year. Governors have signed a Code of Conduct, established on the Nolan Principles of Public Life. It is expected that a governor will be a member of one of at least one of the committees of the full board but also there are specific areas of responsibility identified including the Safeguarding Governor, the Anti-bullying Governor, a Link Governor for Special Needs and for Health & safety. Identifying these areas of responsibility enables the Board to ensure that they fulfil their role as supporting and challenging the delivery of the school's curriculum and make best use of the budget and all resources within the school.
